Scroll down the page to click on the “*Tell them your story.*” This will take you to the New Post Page.

Autograph Book

I have been searching for an autograph book that I had with me at the hospital. I just found it! The sheets that are dated are from July and August of 1958. People who signed it are patients, nurses, physio ...

E-mail excerpts

Following are E-mail excerpts from the past few years. I thought they may be interesting. From: H Hershey My experience at E-town did have quite an impact and was a major factor in my eventually going to school for physical ...
