

Register & Login

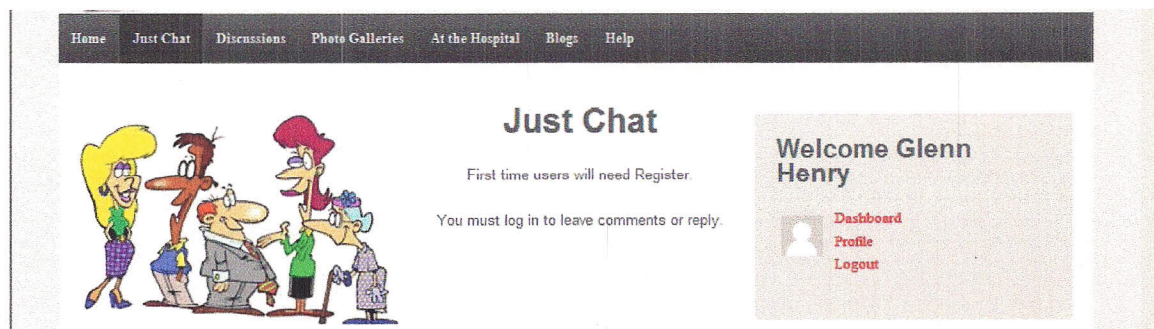

On many pages of the website you will see a Login box in the upper right corner.

To post any comments or replies, it is necessary to Register if you haven't already done so. Registration is a one time requirement, now you can Login.

The screenshot shows the 'Just Chat' page with a navigation bar at the top containing links for Home, Just Chat, Discussions, Photo Galleries, At the Hospital, Blogs, and Help. The main content area features a cartoon illustration of five people on the left. To the right of the illustration, the text reads: 'Just Chat', 'First time users will need Register.', and 'You must log in to leave comments or reply.' Below this text, it says 'Important. Understanding your personal dashboard.' and '86 comments on "Just Chat"'. At the bottom left of the illustration area, there is a link for 'Older comments'. On the right side of the page, there is a 'Login' box with the following elements: 'Username' and 'Password' input fields, a checked 'Remember Me' checkbox, a 'Login' button, and links for 'Register' and 'Lost Password'.

After Login is complete you will be welcomed. At this point you can return to the desired page or proceed to your personal Dashboard.

The screenshot shows the 'Just Chat' page after a successful login. The navigation bar and cartoon illustration are the same as in the previous screenshot. The text in the main content area remains the same. However, the 'Login' box on the right has been replaced by a 'Welcome Glenn Henry' box. This box contains a user profile icon and three links: 'Dashboard', 'Profile', and 'Logout'.
